G#m
O come behold the works of God

The nations at His feet

He breaks the bow and bends the spear

O mighty one of Israel You are on my side

We walk by faith in God

Who burns the chariots with fire

Chorus

E
Lord of hosts You're with us
G#m
With us in the fire
F#
With us as a shelter
E
With us in the storm
E **G#m**
You will lead us through the fiercest battle
F#
Oh where else would we go
E
But with the Lord of hosts

Verse 2

G#m
O God of Jacob fierce and great
E
You lift Your voice to speak
F#
The earth it bows in awe
E **G#m**
The mountains move into the sea

E
And still You let them live
F#
O God who makes the mountains melt

E **G#m**
Come wrestle us and win

O God who makes the mountains melt
E **G#m**
Come wrestle us and win
