Intro

IC /// IF /// IC/E /// IF /// I

Verse 1

O blessed tree, whose branches bore
The body of our broken Lord
His sacrifice there would restore
Communion with our God

Verse 2

O blessed tree, painted with red
As holy wounds, with mercy bled
And for our sake, the Savior pled
They know not what they do

Chorus

O blessed tree, what mystery
That God, who gave man life and breath
On Calvary, would bow beneath
The crushing weight of sin and death

That when I call the Savior mine
He bids me take my cross and die
