You are my light and my salvation
Who can I fear?
Set on the Rock of your foundation
You hold me near
And when the evil one attacks
He'll fall away
And my heart is not afraid.
my heart is not afraid,
my heart is not afraid.

In every circumstance
In every season
This is my confidence
And I will trust in you

and I will sing, yes I will sing
Of the goodness of God, my Lord and King
and I will sing, yes I will sing
Of the goodness of God, my everything
My everything

I want to know you, Lord
Please answer when I call
If you would turn from me
I couldn't live at all
The world mistreated me
But you accepted me
And gave me home

In every circumstance
In every season
This is my confidence
And I will trust in you

and I will sing, yes I will sing
Of the goodness of God, my Lord and King

and I will sing, yes I will sing
Of the goodness of God, my everything
My everything
You are my everything

Be strong, take heart
Wait for the Lord, the Lord our God

Be strong, take heart
Wait for the Lord, the Lord our God

And I will dwell for all my days
In the house of the Lord, the Lord our God

And I will dwell for all my days
In the house of the Lord, the Lord our God

and I will sing, yes I will sing
Of the goodness of God, my Lord and King
and I will sing, yes I will sing
Of the goodness of God, my everything
My everything

Be strong, take heart
Wait for the Lord, the Lord our God
