

## Raise Our Song

### Verse 1

Mountains of heartache and towers of pain  
Be cast down in Jesus' name  
Rivers of hatred and oceans of shame  
Be dried up in Jesus' name  
Fear-filled divisions will all be erased  
We claim this in Jesus' name  
All tribes and tongues, every culture and race  
United in Jesus' name

### Chorus 1

So we will raise our song  
Praise Your mighty name, praise Your mighty name  
You've won us by Your blood  
So hear us when we pray  
In Jesus' Name (we pray)  
In Jesus' Name (we pray)

### Verse 2

The promise upon us one Spirit-filled Church  
Together in Jesus' name  
Praising the one who has lifted the curse  
Forever in Jesus' name

### Chorus 2

So we will raise our song  
Praise Your mighty name, praise Your mighty name  
You've won us by your blood  
So hear us when we pray, hear us when we pray  
Lord won't you make us one  
Praise Your mighty name, praise Your mighty name  
Lord let Your kingdom come  
Hear us when we pray  
In Jesus' Name (we pray)  
in Jesus' Name (we pray)  
In Jesus' Name (we pray)  
in Jesus' Name

### Bridge

Who can stand in Your way  
Son of Man, there is power in your name

Power in Your name, power in Your name

Power, there is power in Your name
