

HOLY GROUND (I WILL NOT MOVE)

Justin Tweito / Bailly Hager / Mykah Farren / Rhyann Shirley / Charlie Weir - 12/2/19

V1:

Pull me close enough
Till I hear you whisper
I've fought long enough
It's time to surrender
Oh I'm trading my closed heart for open hands

Ch:

I will not move
Unless you're with me
If you're not here I'm all but empty
I will not walk
Unless my feet touch holy ground
Jesus I need you every second
I am a wreck without your presence
Why would I ever want to leave this holy ground

V2:

Take me deeper still
Into your glory
I don't want to miss all you have for me
Where my human nature bows to holiness
All the days I have were made for this

Br:

Oh there are no words
That ever come close
Cause saying I need you
Doesn't feel like enough
God I am longing
For all that you are
Desperately hungry
Fill every part
